Evergreen Health Centre offers a full range of services to meet the health needs of street-involved youth ages **16 to 24 years** on a **first-come, first-served basis**. OHIP cards are not needed for medical care. Child care is available when parents are receiving Health Centre services.

Note that dental services are in especially high demand, we suggest youth arrive at 12:00 noon to wait in line and help increase their chances of seeing a dentist.

The Health Centre is staffed by a team of dedicated volunteer professionals. Occasionally a service will be changed at the last minute. **Please call us at (416) 929-9614 extension 2238**
